

## Brian Loveless

Woodstock, GA (404) 423-1506 [Brian.Loveless1@gmail.com](mailto:Brian.Loveless1@gmail.com)  
[www.linkedin.com/in/brianloveless321bl](http://www.linkedin.com/in/brianloveless321bl) [github.com/BrianLoveGa](https://github.com/BrianLoveGa)

### Skills :

HTML, CSS, JS, API's, Node, MongoDB, Mongoose, Express, React, React Hooks, testing with Chai, Mocha, Jest, Enzyme, front-end, back-end, full-stack, UX design with inVision, Python3, Pygame, Django, SQL using PostgreSQL, and algorithms/recursion.

### Projects :

**Simple > Complex:** Developed a react site to explain and teach basics to new coders. Created a game in Python3 and JavaScript to compare and contrast.

**Danger Zone Desserts:** Designed an app to share tasty dessert recipes. Used React for front end and an Express backend with testing built-in. Created a separate front end accessing data in our independently deployed team created recipe API with full CRUD.

**RPSLS:** Programmed a version of the classic Rock Paper Scissors, with bonus of Lizard and Spock. Both for desktop and phone friendly with @ media CSS.

### Experience :

#### **Purchasing Manager, Ops Supervisor** - IMI, Woodstock, Ga 2017-2019

- Maintained a detailed inventory of raw materials, in-process, and finished goods at the daily, weekly, and monthly levels to forecast material needs and execute purchases of consumables.
- Created easier to use templates with VP of Sales for the company methods of sample submitting (internal and external) and project tracking, small tool inventory and warranty info.
- Utilized Salesforce, Smartsheets, and Google Docs to track and forecast outsourced needs.
- Co-founder of the safety committee and assisted with OSHA compliance & EPA recordkeeping.

#### **Venue Manager, Project Manager** - Premier Events, Atlanta, Ga 2005-2017

- Oversaw daily operations at Chastain Amphitheatre a 7,000 seat outdoor concert venue as well as various nightclubs, festivals and special events across the southeast including West Fest, Decatur Arts, Dunwoody Arts, Taste of Chamblee, Sandy Springs Challenge and others.
- Improved reconciliation of inventory at Chastain setting new efficiency records 4 years in a row verified by Bevinco our independent auditor for liquor control cost at 99.8%.
- Made record-breaking events possible with hard work and by creating new methods to set a daily sales record of over \$188,400 equivalent to more than 10 times normal sales at Chastain.
- Dazzled managing the meadow at Music-Midtown in Piedmont Park for over 5 years containing the busiest locations totaling over \$758,000 in combined sales.

### Education :

**Software Engineering Immersive** - Bootcamp Certificate, Nov 2019,  
General Assembly, remote online

**Bachelor of Business Administration** - Managerial Sciences,  
Georgia State University, Atlanta, Georgia
